The Worthington Farmers Market (WFM) celebrates its 31st season in 2018. The community's continued support of the market is overwhelming! This Market offers high quality, locally grown food for Worthington and Central Ohio residents for 50 weeks of the year. The market is open every Saturday, May through October from 8 a.m. to 12 p.m., and November through April from 9 a.m. to 12 p.m., rain or shine.

The mission of the Worthington Farmers Market is to:

- Provide access to local foods.
- Assist area farmers, producers, and artisans with sustainable business opportunities.
- Further the economic development of our community.
- Educate the public and promote healthy living.
- Serve as a community-gathering place and build community spirit.

The Worthington Farmers Market is supported by volunteers and funded by grants, memberships, sponsorships and vendor fees. We operate on a small budget that supports a large array of operating expenses including insurance, permits, signage, utilities, marketing, promotions, a part-time Market Manager, and more. Your vital sponsorship will help us maintain a successful marketplace that is an asset to the community and our producers. We do not receive a percentage of farmer, producer, or artisan sales.

The Worthington Farmers Market continued success comes from our broad base of support within the community. With your sponsorship, the WFM will continue to improve the quality of both the marketplace and its goods. If you have any questions about sponsorship, please do not hesitate to contact us.

Thank you for your consideration,

Jaime Moore
